COMMITTED

100+ Clients Served
1,000+ Projects Completed
\$6.4M Largest Contract

Master Filter Corporation dba Master Enterprises was founded in 1984 to manufacture & distribute air filters. We've evolved to source, short-term store, & deliver MEP infrastructure materials, conduit, vaults, generators, traffic & signal equipment, signs, lighting & more on **horizontal** construction projects. We also provide innovative personal care products, PPE, ergonomic workspaces, seating, acoustic treatments, air cleaners, MEP fixtures and more that promote wellness, collaboration, productivity, focus, & safety within **vertical** construction facilities.
